The Shimmy Stool

A celebration of joyful movement, this swivelling vanity stool features multiple trimmings from our Gloriette collection of passementerie with Samuel & Sons. Available in four seasonal colourways, the complex hues within the double layer of fringing, matching border and cord make this suitable as a bold starting point or complement to your scheme. The tiered Elementi fringing sure makes this girl shimmy (with you) at the dressing table. We dare you to resist the dance.
